Paragraph of the Week®

Level 1

A paragraph talks about one topic, with many sentences all supporting that topic. This is when you will construct that paragraph.

Thursday

Review all three activities. Revise and edit. Write your final draft here.

It is time to put all of your work together in the form of a paragraph. The topic sentence goes first, followed by the detail, explanation combo sentences. The last sentence is your closing sentence.

Reread it all and make sure it makes sense. It should all be about the same topic, give lots of information, and be written in complete sentences.
